APPENDIX I.

(Reference to question 1.)

Statement showing the number of Ordinary Suits, Small Cause, Miscellaneous and execution cases filed and pending and the number of appeals pending in the Sub-Court, Mysore, for the year 1924-25 and the total net income for the same year and the number of witnesses that had to be examined and were examined for the same year :—

Kind of cases	Filed during the year	Pending at the end of the year	Total number of witnesses that had to be examined during 1924-25	Average number of witnesses examined per working day during 1924-25	Total amount of adjournment batta paid during the same period	Average duration of contested and original suits excepting those that were compromised after contest.	Total income
					Rs.		Rs.
Ordinary suits ...	81	118					
Small Cause suits ...	1,883	1,019					
Miscellaneous cases...	255	134	698	1·23	538	1022·8	42,715-14-0
Execution cases ...	1,802	1,306					
Appeals ...	...	147					

APPENDIX II.

(Reference to question 11.)

Special Magistrates' Courts.

Serial No.	Items	Hassan Regular cases	Hole-Narsipur Regular cases	Sakleshpur Regular cases
1	No. of criminal complaints filed during 1924-25.	255	158	131
2	No. dismissed under section 203, Cr. P. C. ...	5	19	39
	No. admitted	220	139	92
	No. of revision petitions that were filed against such dismissals.	...	...	..
	No. of cases in which District Magistrate or the Chief Court ordered further enquiry upon the calendar against the order of such dismissals.	...	...	...
	No. of instances of criminal prosecution against any of those persons whose complaints were dismissed for having given false complaint.	...	...	...
3	The number of regular cases tried by each of these Magistrates during the year 1924-25.	199	115	88
	The number of cases tried by each every month	19·9	11·5	8·8

	1921-22	565$	367	$ Raising of the small cause jurisdiction of the Munsiff's Court, Sagar, from Rs. 50 to Rs. 100.
	1922-23	493	372	
	1923-24	417	325	
	1924-25	451	338	

APPENDIX IV-A.

(Reference to Question 20.)

Q.—4. Will the Government be pleased to state :—

(1) The name of the expert engaged by the Government to conduct the experimental coal prospecting work at Kamasamudram ?

(2) His previous fitness to conduct the prospecting and mining the places, if any, in which he had done such work elsewhere, his academical degrees, if any, and the credentials held by him.

(3) Whether he was recommended to the Government by any local Mining Company of repute or whether he applied direct to Government ?

(4) The total amount hitherto spent over the work carried on by him and the amount which will be required for the purpose hereafter.

(5) Whether the officers of the Geological Department of the State and of the Government of India were consulted either before or after embarking on the enterprise; if so, the date of such consultation and the nature of the opinion thus obtained.

A.—4. (1) Mr. C. W. Schomburg.

(2) He discovered monazite in the Travancore State and has a varied experience in prospecting, mining and metallurgy.

(3) He applied direct.

(4) The total actual amount spent on the work carried on by Mr. Schomburg is Rs. 12,634-4-4. This represents charges on actual labour, tools and materials, etc. No part of it has been paid as remuneration to Mr. Schomburg for the work done by him.

No further expenditure is proposed to be incurred by Government during the current year, as, at his own request, Mr. Schomburg has been permitted to carry on the work at his expense.

(5) Some consultations regarding the data obtained by boring have taken place and Government are not prepared to publish at this stage the opinions obtained.

Q.—12. Will the Government be pleased to state :—

(*a*) The name of the person or persons who gave information, if any, to His Highness' Government that coal was available near or around Kamasamudram in the Kolar District.

(*b*) The date or dates on which such information, if any, was given and the nature of the information.

(*c*) Whether any officer of the Mysore Geological Department was consulted in the matter; if so, who was the officer so consulted? When was he consulted and what was his opinion?

(*d*) Whether it is a fact that the management of the industrial experiment for coal at Kamasamudram was entrusted to a gentleman by name Mr. Schomburg?

(*e*) What are the terms and conditions under which Mr. Schomburg was employed to carry on the experiment?

(*f*) Whether the Government had ascertained beforehand that Mr. Schomburg possessed the necessary qualifications and credentials to be entrusted with the management of an industrial experiment or concern like the one at Kamasamudram?

(*g*) What are the general educational qualifications and practical experience in coal mining that Mr. Schomburg had, before he undertook the experiment at Kamasamudram?

(*h*) Were these qualifications of Mr. Schomburg considered sufficient by Government for the achievement of success?

(*i*) What are the dates between which Mr. Schomburg was carrying on his experiments and with what result?

(*j*) Whether it is a fact that (i) an officer of the Geological Department of India and (ii) a representative of a firm of coal mining company had been requested by Government to give their opinion? If so, what is the opinion of each of the above-named gentlemen, regarding the availability of coal near Kamasamudram and the commercial aspect of the venture?

(*k*) What is the cost involved in securing the opinion referred to in (j) above?

(*l*) Whether the Government propose to continue the experiment? If not, why not?

(*m*) Whether the Government have ascertained the geological history of the area under controversy? If so, whether the Government are satisfied that the conditions necessary for the formation or existence of coal near Kamasamudram are presented by the geological history of the said area.

A.—(*a*) and (*b*) The earliest record available on the subject of coal in Mysore is found in a letter from Mr. Lavelle, dated 20th August 1873, to the Chief Commissioner of Mysore and Coorg, extract from which is placed on the table. (*Vide* Appendix 5.)

Mr. Schomburg discovered some outcrop in this area in the latter part of 1923 and gave it as his opinion that coal deposit exists at a depth of 300 to 400 feet near or about Kamasamudram.

(*c*) The Geological Department was not consulted about this discovery at the time.

(*d*) Yes.

(*e*) He was given a prospecting license for chrome over an area of one square mile for a period of three years, renewable from year to year, under the ordinary rules, with a stipulation that if he should discover any valuable deposit of coal Government will refund to him 25 per cent of the profits payable under the general terms to Government. It was also stipulated that if coal was discovered, a bonus equal to 5 per cent of the total capital of any company that may be formed for working will be paid. Nothing besides these were promised and no payment of any kind for the work done by Mr. Schomburg has been made to him.

(*f*) and (g) Government were satisfied that Mr. Schomburg had the necessary qualifications. His reputation as a Mining and Metallurgical Expert was considered sufficient by Government to justify the entrusting of the work to him.

(*h*) Yes.

(*i*) From the end of March 1924 to June 1925. The investigations are not yet completed.

(*j*) The answer is in the affirmative. Government do not consider it expedient to publish the information at these stage; besides the final report of the officer deputed by the Government of India is yet to be received.

(*k*) The Government of India Officer will be given the cost of travelling and actual pay for the period of his stay in the State. His bill of charges has not yet been received. The represenattive of the firm was given an allowance of Rs. 150 per day for a period of 8 days and actual travelling expenses from Calcutta and back.

(*l*) Government have for the present stopped further boring operations pending detailed report; but Mr. Schomburg has offered to continue boring at his own expense and this request of his has been granted reserving to Government all the rights of any discovery that may be made subject to the original conditions regarding bonus.

(*m*) This is a matter of expert opinion and Government do not wish to commit themselves to any definite views on the subject at this stage.

APPENDIX V.

(Reference to Question 29.)

Statement showing the candidates appointed in each district through the Central Recruitment Board on a salary between Rs. 50 and Rs. 100 from 1st July 1924 up to 30th June 1925 :—

District	Brahmins	Linga-yets	Maho-medans	Vokka-ligars	Others

APPENDIX VI.

(Reference to Question 33.)

(*a*) On 1st April 1921, the Amildari Service was represented by : —

63 Brahmins.
2 Christians.
1 Ursus.
4 Lingayets.
4 Mahomedans.
1 Sadar.
1 Naik.
2 Mudaliars.

78

(Inclusive of Deputy Amildars of Bangalore Taluk and French Rocks Sub-Taluk since abolished.)

(*b*) On 1st January 1925, the same service was represented by :—

59 Brahmins.
4 Mahomedans.
2 Lingayets.
5 Mudaliars, Naidus and Pillais.
1 Jain.
2 Ursus.
1 Gangadikar.
1 Christian.
1 Sadar.

76

(*c*) Number of appointments made therein in :—

Community	1921-22	1922-23	1923-24	1924-25	Total
